## **Principal's Report**

### **OUR VIBRANT SCHOOL COMMUNITY**

Our staff continue to provide rich educational and extra-curricular opportunities for the students at BPS. Over the course of the year, our students have benefitted from clubs and activities such as: Coding Club, Art Club, Crochet Club, Ukulele and Guitar Club, Dance Club, Pet Club, Choir, Yoga Club, We Club, Lego and Puzzle Club, as well as team sports and tournaments. Special thanks goes out to the staff and volunteers who organize these events.

We are also so fortunate to have wonderful student leadership in our school. Our PALS (Playground Activity Leaders in Schools), SCC (Spirit Character Crew), and lunch and door monitors continue to impact on our school community in a positive way.

### **SPIRIT WEEK, 48 HOURS OF KINDNESS & TOONIE TUESDAY**

The SCC kicked off Spirit Week and “48 Hours of Kindness” on March 6 offering free coffee and treats to our parents, and helped to create quite the buzz to all those passing by. The SCC challenged the school to hit a goal of \$500 with an added incentive of me dressing up as a UNICORN for a day. I am happy to report that BPS raised **\$635.35** for the Education Foundation which helps to provide emergency funding for food, clothing and medication to students in the OCDSB. I couldn't be more proud of the SCC and all our students for demonstrating their positive character and spirit. Thank you to our entire school community for your generosity.

## **EARTH HOUR**

BPS participated in Earth Hour on Friday, March 23. The whole school worked for an hour with the lights off, and did not use any electronic devices.

### **MATH LEARNING**

Our math teachers spent time last week collaborating, exploring new math resources, and preparing rich math learning materials for students to increase student engagement and achievement. Our math teachers will be participating in one final workshop this year on spiralling math.

### **CODING CLUB**

Our Coding Club teachers recently applied for a Best Buy technology grant. Thanks to Mme Damianakos and Mme Renee for all their time and effort preparing the application form. Fingers crossed!

### **BPS AUTISM DAY - "A SEA OF BLUE"**

On Tuesday, April 3rd, staff and students at BPS kicked off our celebration of World Autism Day by wearing **BLUE** and dancing to **LIGHT IT UP BLUE** by GoNoodle in the gym! Our school photographer, Earl Havlin, took a special photo of staff and students wearing blue. Our Autism Team also registered for the **RAISE THE FLAG** campaign so be sure to check out the flag in our lobby! Special thanks to our dedicated, caring staff for making this day a memorable one. This year, the OCDSB's Autism Spectrum Disorder Team will be hosting a Parent Information Night on **Wednesday April 18th** at 6:00 pm at Sir Robert Borden High School. All parents are welcome to attend.

### **UPCOMING:**

Across the country this weekend, Canadians have been struggling with the news of the tragic accident in Saskatchewan involving the Humboldt Broncos hockey team. The OCDSB will lower the flags on all school and administrative buildings today and tomorrow in recognition of those affected by this accident.

### **JERSEY DAY FOR THE BRONCOS - APRIL 12**

A group of hockey moms in B.C. are doing what they can to show their support during a difficult time. They want to show that hockey families, and everyone across Canada, are there for the Humboldt community, and they're organizing a Jersey Day for the Broncos to show it. **This Thursday**, they are asking that people wear whatever sports jersey they have to show the community of Humboldt that they are not alone. BPS will be participating and everyone is encouraged to wear whatever sport jersey they have. If students don't have a jersey, they are encouraged to wear the Broncos team colours, green and gold. Let's all come together and show our support for these families. Parents, staff, and volunteers are also encouraged to participate and use the hashtag #JerseysForHumboldt if posting a picture to social media sites.

### **SOCIAL MEDIA SAFETY @ HMBPS**

Do you want to learn more about *social media safety* for your children? Half Moon Bay Public School is hosting an evening with expert Paul Davis who is an IT professional who has appeared on CTV News, CBC, Global TV and Breakfast TV, educating parents and children alike on this topic.

**April 13, 2018**

### **CLEANING UP THE CAPITAL**

BPS will be participating in "Cleaning Up The Capital" on Friday, April 20th from 10:00 - 11:00 AM (Rain date: April 23). This campaign is a citywide cleanup that occurs in the spring and fall every year. People come together as a community and combine efforts to make our city clean and green. 2018 marks the 25th year of the campaign! Cleaning the Capital is an exciting way for residents to foster community pride while ensuring that Ottawa stays clean, green, and graffiti and litter-free.

<http://bubbleologyshow.com/>

Part science, part magic, pure fun. You could choose an indoor or outdoor show. I am waiting for the final costs for the show so I don't have those right now.
